

Western Sydney Health Alliance – 2022-25 Strategic Plan

Vision: Improved Health Outcomes for the Western Parkland City

Outcome 1
Improved Access to Health and Wellbeing Services

Strategy 1.1

The following Health Frameworks are fit for purpose and promoted to all Alliance members

- Social determinants of health (SDoH) framework
- Access to Health Services impact statement (AtHSIS)
- Social connectedness framework (SCF)
- Greater Western Sydney Health Workforce Recruitment and Retention Statement (HWRaRS)

Strategy 1.2

Development of a Health Literacy Framework

Strategy 1.3

Development of a toolkit to assist Alliance members to operationalise Health frameworks

Outcome 2
Improved Liveability and Connections

Strategy 2.1

Develop Digital Resources highlighting the integration of health and wellbeing indicators into built environment practice within the Western Parkland City (WPC)

Strategy 2.2

Land Use Planning for Equitable Health Outcomes project

Strategy 2.3

Embed the Increasing Resilience to Climate Change (IRCC) Resource document into Alliance members Strategic Planning documents

Strategy 2.4

Development of a WPC 2023-2038 Walking and Cycling Strategy

Outcome 3
Enable Healthy Lifestyles in the Western Parkland City

Strategy 3.1

Audit, promote and encourage partnerships to increase the usage of local open spaces for recreational walking across the Western Parkland City

Strategy 3.2

Development of a WPC Healthy Food and Drink Policy to facilitate and encourage healthy food and drink choices for all staff, volunteers and community

Our Purpose is:

to drive active commitment and effective collaboration between all members to maximise improved health outcomes of the Western Parkland City
